Rob Currao, owner of Cabinet Outlet of Nashua has been running with Valpak of NH for over 2 years with his first mailing back in October of 2016. Rob runs 20,000 homes every month and does to provide his primary market / client's discounts and to promote his business to bring in new ones. We asked Rob to tell us how Valpak has been working for his business and he stated *"Valpak provides more foot traffic. I just received a \$4,000 sale from Valpak. I get 3-4 phone calls per month."* We then asked Rob how Valpak compares to other forms of advertising and what he likes most about Valpak; he went on to say *"Valpak for sure out performs Spectrum Monthly and the Local Newspaper. I love that I get to change my ad every two months and I love the Digital / On-line part of Valpak knowing I'm constantly out there!"*
