Gregory first started mailing his local Geico Office for brand awareness in the greater Nashua markets. We asked Gregory how his Valpak was performing, he stated *"I do Valpak along with other forms of advertising. Valpak consistently gets the phone ringing in my office. I just started Valpak's PlusOne Postcards and have had great success with that as well. I have tried Spectrum Monthly on a few occasions, but Valpak outperforms them all. I love the customer service, Valpak's tracking capabilities and most of all the RESULTS, which are fantastic."* We then asked Gregory if he would recommend Valpak to other business owners, he concluded by saying *"Yes, it really does work. I feel that everyone should be advertising, and I highly recommend Valpak!"*
