Lynda Corweelier, owner of National Carpet & Flooring has been running with Valpak since January 2014. Lynda runs 20,000 homes a month, sometimes more to capture new business and to keep her name out there in the market place. We asked Lynda how Valpak has helped her business and she said *"I just received a \$12,000 job from just one coupon. I get phone calls also from Valpak. Valpak has been so great to work with."* We then asked Lynda how Valpak compared to other marketing programs she has done and she went on to say *"I have done Spectrum Monthly and the local newspaper but Valpak's ROI is the BEST I have ever seen. What I like most about Valpak is the Digital, the direct mail and our sales rep. I would recommend Valpak to every business owner!"*
