CJ first started to advertise with Valpak back in August of 2019 to gain new customers. We asked CJ how Valpak has been working for him, he stated *"We LOVE Valpak. In the last six months we have received over 25 calls and a couple of jobs totaled over \$6K. I never thought people would read them but now I'M A BELIEVER in Valpak. I love the Call Tracking and being able to see where my advertising money are being allocated."* We then asked CJ how his Valpak compared to other forms of advertising he has done; he went on to say *"We have done Community Value, but Valpak gives us much better results. I would totally recommend Valpak to other companies because it WORKS!"*
