Affordable And Reliable Auto Repair With Excellent Customer Service.

Rudy first started advertising with Valpak back in February 2016, he just bought a gas station that came with an auto repair shop and he needed to bring in some new business to fill the bays. We asked Rudy how his Valpak programs were performing for him and he told us *"We have been running a long time with Valpak and customers still use the coupons every month without fail. We see about 20-30 jobs a month for oil changes, brake jobs, tires and everything in between."* We then asked Rudy how Valpak compared to other forms of advertising he has done and if would recommend Valpak to other business owners, Rudy went on to say *"Valpak outperforms Spectrum Monthly as we see so much more with Valpak. We have been with Valpak for over 5 years and never had a problem, love their customer service. I would highly recommend Valpak to all service / auto repair businesses because it works so well and has for a long time!"*
