Alyse first started running with Valpak since April 2015 to help bring New Clients and bring back existing ones to the multiple plazas The Megs Company owns and runs to support the businesses within them. We asked Alyse if she could tell us how her Valpak programs were working for her and she told us *"I run with Valpak every year as we have 3 Plazas with many businesses in them. I will continue running with Valpak as we see 30-50 returns every month."* We then asked Alyse how Valpak compared to other forms of advertising has done and if she would recommend Valpak to other businesses, she went on to say *"We use to run with Spectrum Monthly but Valpak does a much better job with regards to our Return on Investment (ROI). I love the Customer Service I receive from Valpak along with the fact that they have been in business for over 50 Years. I would highly recommend Valpak because if you want results then Valpak is the place to advertise your business!"*
